"Children to Degree" is a book that can help you do just that. Written by two experienced educators, this book provides a step-by-step guide to help you prepare your child for college success. Drawing on the latest research and best practices, "Children to Degree" offers practical advice and actionable strategies that you can use to help your child:

- Develop a strong academic foundation

- Cultivate a love of learning
- Set realistic goals
- Build good study habits
- Make the most of their extracurricular activities
- Get involved in their school community
- Prepare for the college application process
- Finance their college education

"Children to Degree" is not just another parenting book. It's a comprehensive resource that will help you navigate the complex journey from kindergarten to college graduation. With its clear and concise advice, engaging stories, and helpful resources, this book will empower you to give your child the gift of a college degree.

Here's what people are saying about "Children to Degree":

"This book is a must-read for any parent who wants to help their child succeed in college. It's full of practical advice and actionable strategies that you can use to help your child reach their full potential." - **Dr. Kathy Hirsh-Pasek, professor of psychology at Temple University**

"This is a groundbreaking book that will change the way parents think about preparing their children for college. It's a must-read for any parent who wants to give their child the best possible chance of success." - **Michelle Obama**
