In the realm of Aethel, where gods and mortals collide, a cataclysmic war has torn the land asunder. Amidst the chaos and bloodshed, two demigod brothers, Aethon and Lykos, find themselves on opposite sides of the conflict.

Aethon, the elder brother, is a skilled warrior and a loyal servant of the war god, Ares. Lykos, on the other hand, is a gifted healer and a follower of the

goddess of wisdom, Athena. As the war rages on, the brothers are forced to confront their own beliefs and the choices they have made.

Aethon, once a beacon of hope for his people, has become disillusioned by the horrors of war. Haunted by the lives he has taken, he begins to question the righteousness of his cause. Lykos, once a pacifist, is driven to take up arms against the forces of darkness that threaten to consume Aethel.

As the conflict escalates, Aethon and Lykos find themselves torn between their loyalty to their gods and their love for each other. Betrayed by their allies and hunted by their enemies, the brothers must find a way to reconcile their differences and forge a path towards redemption.

Gods Of War Sentenced To War is a gripping tale of betrayal, redemption, and the enduring bonds of brotherhood. It is a story that will haunt your thoughts long after you finish reading it.
