### **Materials You'll Need:**

- Worsted weight yarn (approximately 250-300 yards)
- US size 6 (4 mm) circular knitting needles, 16-inch or 24-inch length
- Stitch markers
- Measuring tape

### **Step-by-Step Instructions**

#### **1. Cast On and Work the Ribbing**

Begin by casting on the appropriate number of stitches for the size of your miniature dachshund. Work several rows of ribbing to create a sturdy and stretchy foundation for the sweater.

#### **2. Divide for Body and Legs**

Once you have completed the ribbing, divide the stitches into three sections: two for the body and one for the legs. Work the body and legs separately, starting with the body.

#### **3. Work the Brioche Stitch Pattern**

The brioche stitch pattern is the heart of this sweater. Alternate brioche increases and decreases to create the delightful texture. Follow the detailed instructions in the pattern to master this unique stitch.

#### **4. Shape the Leg Openings**

After completing the body, rejoin the stitches for the legs. Shape the leg openings by decreasing stitches strategically to create a comfortable fit for your dachshund's legs.

## **5. Work the Sleeves**

Next, pick up stitches along the leg openings to create the sleeves. Work the sleeves in brioche stitch, narrowing them towards the top.

## **6. Join the Sleeves and Body**

Once the sleeves are completed, join them to the body. Use the three-needle bind-off method to create a seamless and durable connection.

## **7. Add Ribbed Collar and Finishing Touches**

To finish the sweater, work a ribbed collar and add any desired embellishments, such as a button or ribbon. The collar provides a touch of elegance and helps keep your dachshund's neck warm.
