The story follows Jack Ryan, a former CIA agent who is called back into action to investigate a series of terrorist attacks. As Jack digs deeper into the case, he uncovers a plot to detonate a nuclear bomb in the United States. With the clock ticking down, Jack must race against time to stop the terrorists and save the country.

Mariner's writing is suspenseful and immersive, and he does a great job of creating a sense of urgency. The characters are well-developed and

believable, and the action is intense and heart-pounding. I found myself completely invested in the story, and I couldn't put the book down until I finished it.

If you're a fan of thrillers, then you need to read *Meltdown*. It's a well-written and suspenseful book that will keep you on the edge of your seat from beginning to end.
