Stern was born a twin, but his sibling vanished shortly after birth. For years, he was haunted by the mystery of what happened to his twin, and he embarked on a journey to find out the truth. His search led him through family secrets, medical records, and his own memories, as he pieced together the story of his lost twin.

In the process, Stern discovered that his twin's loss had a profound impact on his own life. He struggled with feelings of grief, isolation, and a sense of incompleteness. But he also found strength and healing in the love of his family and friends, and in the power of nature.

My Vanishing Twin is a beautifully written and deeply moving memoir that will resonate with anyone who has ever experienced loss. It is a story about the power of memory, the unbreakable bond between siblings, and the healing power of nature.
