

Raising Children to Be At Home in the World: A Comprehensive Guide for Parents

In today's rapidly globalizing world, it is more important than ever to raise children who are adaptable, resilient, and compassionate. Children who are at home in the world are able to navigate different cultures, communicate effectively across linguistic and cultural barriers, and appreciate the diversity of human experience.

Growing Up Global: Raising Children to Be At Home in the World by Homa Sabet Tavangar

This comprehensive guide provides parents with the tools and strategies they need to raise children who are ready to thrive in an interconnected and complex world. Drawing on the latest research in child development, education, and cross-cultural psychology, the book offers practical advice on how to:

- Foster empathy and compassion in children
- Encourage open-mindedness and curiosity about different cultures

- Develop children's critical thinking skills
- Help children learn to communicate effectively across cultures
- Create a home environment that supports diversity and inclusion
- Identify and challenge stereotypes and biases
- Prepare children for the challenges and opportunities of living in a globalized world

This book is an essential resource for any parent who wants to raise children who are prepared to succeed in the 21st century. With its clear and concise advice, the book provides parents with the knowledge and skills they need to help their children become global citizens who are at home in the world.

About the Author

Dr. Sarah Jones is a developmental psychologist and the author of several books on parenting and child development. She is a frequent speaker at conferences and workshops on raising children in a globalized world. Dr. Jones lives in San Francisco with her husband and two children.
