Danny Hayes is just an ordinary fourth grader. But when he finds a mysterious device in his backyard, his life is turned upside down. The

device is a secret weapon that can control the weather, and it's up to Danny to stop it from falling into the wrong hands.

With the help of his friends, Danny embarks on a secret mission to save the world from a group of evil scientists who are planning to use the device for their own sinister purposes. Along the way, Danny and his friends must overcome dangerous obstacles, outsmart clever villains, and learn the true meaning of courage.

Saved the World (and Only in 4th Grade!) is a thrilling adventure story that will keep young readers entertained from beginning to end. It's a story about the power of friendship, the importance of courage, and the responsibility we all have to make the world a better place.

Reviews

"Saved the World (and Only in 4th Grade!) is a fun and exciting adventure story that kids will love. Danny Hayes is a relatable and likeable protagonist, and his friends are just as lovable. The story is fast-paced and action-packed, and there are plenty of twists and turns to keep readers engaged from beginning to end." - [Review Source]

"This is a great book for kids who love adventure stories. The characters are well-developed and the plot is exciting and suspenseful. I highly recommend this book for kids ages 8-12." - [Review Source]
