Call for Papers

The Second IFIP WG 12 International Workshop on Children, Disability, Digital Health and Human Rights (CHDDH 2024) will take place in Dublin, Ireland, on May 25, 2024. The workshop is organized by the IFIP Working Group 12.4 on Human-Computer Interaction and Accessibility and the ADAPT Centre, Trinity College Dublin.

The workshop will bring together researchers, practitioners, policymakers, and advocates from around the world to discuss the latest research and developments in the field of children's digital health and human rights. The workshop will focus on the following topics:

- * The impact of digital technologies on children's health and well-being *
- The role of digital technologies in supporting children with disabilities *
- * The

ethical and legal implications of using digital technologies with children *
The design of digital technologies for children with disabilities * The
development of policies and programs to promote children's digital health
and human rights

We invite submissions of full papers (6-8 pages) and short papers (2-4
pages) on all aspects of children's digital health and human rights.
Submissions will be peer-reviewed and selected for presentation at the
workshop.
