The Indian Ocean is a vast and complex region with a long and rich history. It is home to some of the world's most populous countries, including India, China, and Indonesia. It is also a region of great geopolitical importance, with major powers such as the United States, Russia, and China competing for influence.

In this book, Rory Medcalf, a leading expert on the Indian Ocean, provides a comprehensive overview of the region's history, politics, and economics. He argues that the Indian Ocean is entering a new era of strategic competition, and that the United States and its allies need to develop a new grand strategy for the region.

Medcalf's book is a must-read for anyone who wants to understand the Indian Ocean region. It is a timely and important contribution to the debate over the future of global security.
