The United Nations is the world's most important international organization. It plays a vital role in maintaining peace and security, promoting human rights, and fostering economic and social development. The Oxford Handbook on the United Nations is a comprehensive guide to the history, structure, and activities of the UN.

Written by a team of leading experts, the Handbook provides an in-depth analysis of the UN's role in global affairs, from its founding in 1945 to the present day. The Handbook covers a wide range of topics, including:

- The UN's history and evolution
- The UN's structure and organization
- The UN's role in peace and security

- The UN's role in human rights
- The UN's role in economic and social development
- The UN's challenges and prospects

The Oxford Handbook on the United Nations is an essential resource for anyone interested in the UN's role in global affairs. It is a valuable resource for students, scholars, policymakers, and anyone else who wants to learn more about the UN.
