

The Story of Sick of It All: The Koller Brothers

The Story of Sick of It All is the definitive biography of the legendary New York hardcore band. Written with the full cooperation of the Koller brothers, Lou and Pete, the book tells the inside story of the band's rise to fame, their struggles with addiction and personal demons, and their enduring legacy as one of the most influential hardcore bands of all time.

Sick of It All was formed in 1986 by the Koller brothers, Lou and Pete, along with drummer Armand Majidi and guitarist Rich Cipriano. The band quickly became a fixture on the New York hardcore scene, known for their aggressive sound, their politically charged lyrics, and their passionate live performances.

In 1989, Sick of It All released their debut album, "Blood, Sweat and No Tears." The album was a critical and commercial success, and it helped to establish the band as one of the leading lights of the New York hardcore movement.

Over the next two decades, Sick of It All released a string of successful albums, including "Just Look Around" (1992), "Scratch the Surface" (1994), and "Built to Last" (1997). The band also toured extensively throughout the United States and Europe, and they built up a loyal following of fans around the world.

However, the band's success came at a price. Lou and Pete Koller both struggled with addiction and personal demons, and the band's relationships were often strained. In 2002, the band announced that they were going on hiatus. They eventually reunited in 2006, and they have continued to release music and tour ever since.

The Story of Sick of It All is a candid and revealing look at one of the most influential hardcore bands of all time. The book is written with the full cooperation of the Koller brothers, and it tells the inside story of the band's rise to fame, their struggles with addiction and personal demons, and their enduring legacy.

Praise for The Story of Sick of It All

"The Story of Sick of It All is a must-read for any fan of hardcore music. It's a candid and revealing look at one of the most influential bands of all time."

- **Kerrang! Magazine**

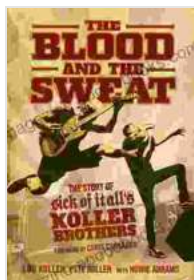

"The Koller brothers have written a powerful and inspiring story about their lives and their music. The Story of Sick of It All is a must-read for anyone who loves hardcore music." - **Alternative Press Magazine**

"The Story of Sick of It All is a fascinating and insightful look at one of the most important bands in hardcore history. The Koller brothers have told their story with honesty and candor, and the result is a book that is both entertaining and inspiring." - **All Music Guide**
