

Twelve Small Steps for Man, Giant Leap Toward Personal Liberty via the Free State

In a time when government overreach and encroachment upon personal liberty seem to be the norm, it is more important than ever to take steps to protect our freedoms. "Twelve Small Steps for Man, Giant Leap Toward Personal Liberty via the Free State" is a book that provides a roadmap for ng just that.

The book's author, Mark Passio, is a leading expert on the topics of personal liberty and self-governance. He has spent years researching and developing the ideas presented in this book, and he has helped countless people to take back their power from the state.

In "Twelve Small Steps for Man," Passio lays out a clear and concise plan for achieving personal liberty. The steps are simple to follow, and they can be implemented by anyone, regardless of their age, background, or circumstances.

The first step is to **understand the nature of the state**. Passio explains that the state is a monopoly on violence that uses its power to control and oppress its citizens. He argues that the state is not necessary for a peaceful and prosperous society, and that it is actually the biggest threat to our freedom.

The second step is to **stop supporting the state**. Passio urges readers to stop paying taxes, voting, and participating in other activities that support the state. He explains that by withdrawing our support from the state, we can weaken its power and make it less able to control our lives.

The third step is to **create a free state**. A free state is a community or territory that is not subject to the laws of the state. Free states can be formed by groups of people who share a common vision for a free and prosperous society. Passio provides detailed instructions on how to create a free state, and he offers support to those who are interested in ng so.

The remaining steps in the book build on the first three steps. Passio explains how to develop personal sovereignty, how to build a strong community, and how to defend ourselves against the state. He also provides advice on how to deal with the challenges that we will face as we work to create a free society.

"Twelve Small Steps for Man" is a powerful and inspiring book that can help you to take back your power from the state and create a life of freedom and

prosperity. If you are tired of being controlled and oppressed by the state, then this book is for you.

Here are some of the things you will learn in "Twelve Small Steps for Man":

- The true nature of the state
- How to stop supporting the state
- How to create a free state
