Description :

*It's 2017's official; the zombie apocalypse is here. The living dead have been lurking in popular culture since the 1930s, but they have never been as ubiquitous or as widely-embraced as they are today. **Zombie Cinema** is a lively and accessible introduction to this massively popular genre. Presenting a historical overview of zombie appearances in cinema and on television, Ian Olney also considers why, more than any other horror movie monster,*
